SKILLS

Computer science • data
analysis • CSS[Cascading
style sheets] • front-end
development • Web
development • problem
solving

LANGUAGES

English
Full Professional Proficiency

INTERESTS

To improve my skills in
programming and
content creation.

Ugo David

I'm a front end and back end developer. I have the knowledge of building the front end of a website with the use of HTML,CSS and JAVASCRIPT(libraries and frame works such as bootstrap, jquery e.t.c.). Lastly, I'm capable of working with a group of developers to achieve a particular target.
